

Cookie Policy for Corporate Website

Introduction

This Cookie Policy applies to the MedUniverse Corporate Website (website) www.meduniverse.com, offered by Med Universe AB (MedUniverse). This policy seeks to explain how MedUniverse uses cookies and the choices that you have.

What are cookies?

A cookie is a small piece of text sent to your browser by a website you visit. Some cookies are also stored in your browser. It helps the website remember information about your visit, which can make it easier to visit the website again and make the site more useful to you.

What cookies do MedUniverse use?

- **Functional cookies:** We use cookies to provide enhanced functionality and to optimise your user experience.

The cookies used may change from time to time as we enhance our website. No personal data is processed.

Disabling cookies

You can prevent the setting of cookies on your browser (please refer to your individual browser's help section for guidance). Please be aware that the disabling of cookies may result in the disabling of certain functions and features on the website, which have already been mentioned in this policy. To optimise your experience with our website, we recommended that you accept the cookie policy, and the cookies that we use. You can manually clear cookies from your device at any time.

Contact

Should you have any inquiries about our Cookie Policy, you may contact us at: info@meduniverse.com.
